Sinclairs Palace Retreat
a heritage-style resort on Haldighati Road, Udaipur**

Kolkata 2nd September 2025 - Sinclairs Hotels Limited proudly announces the opening of **Sinclairs Palace Retreat, Udaipur**, a stunning new addition to its collection of premium properties. This will be the company's second hotel in Udaipur.

Located on Haldighati Road, approximately 35 km from Udaipur city centre, this expansive 5-acre heritage style resort is tastefully designed with palace inspired architecture. It features 90 rooms and suites, along with 5 stand-alone villas. The property is surrounded by the natural beauty of the Aravalli foothills.

From the moment guests enter, Sinclairs Palace Retreat transports them into an era of timeless elegance. The interiors are steeped in history, drawing inspiration from Mewar's royal heritage. Hand-carved stone jaalis, ornate archways, traditional frescoes and locally sourced artifacts adorn the corridors and rooms, creating a richly textured narrative of Rajasthan's cultural legacy. Every corner of the retreat tells a story—of valour, romance, and artistic brilliance.
